

Friends and colleagues,

The Silicon Desert Golf League is thrilled to announce our continuing collaboration with two charities involved in the fight against ALS. This includes **ALS Arizona**, who supports the care services for Arizona ALS patients plus ALS education, advocacy and research, and **Tossin' Away ALS**, who helps ALS patients and their families create lasting memories together. For the fifth year in a row, proceeds from our annual year-end Silicon Desert Invitational golf tournament will benefit these two charities.

The 2025 Silicon Desert Invitational golf tournament will be held on the Palms and Lakes nines at Oakwood Golf Course in Sun Lakes Arizona with a shotgun start beginning at 12:30pm on Saturday December 6th. Please find additional tournament details and the entry instructions online at <https://www.silicondesertgolf.org/>.

For over 50 years now, the League and the year-end tourney have been self-sustaining. Thanks to the generosity of our sponsors and donors, the Silicon Desert Invitational has donated \$92.5K to these two charities in the four years since we joined forces with them to help them with the fight against ALS. The longevity and the success of these annual events can be attributed only to the enthusiasm of our participants and generous contributions from our host companies, customers, suppliers, colleagues, friends, family members, and the many volunteers over that time. We're looking to blast through the \$100K milestone here in year 5, so we are reaching out to everyone we know directly or indirectly seeking sponsorships and donations to the cause.

Sponsorship can be in the form of a cash donation, on-course skills events, hole sponsorship, golf merchandise, gift certificates, raffle prizes, items that we can include in our silent auction, tee favors (balls, tees, markers, koozies, etc.) that are presented to all participants, or whatever suits you.

Silicon Desert Arizona Golf Association, the parent company of Silicon Desert Golf, Silicon Desert Golf League, and the Silicon Desert Invitational benefiting ALS, is now a 501(c)(3) organization, so we can accept tax-deductible donations directly from you and provide you with the necessary documentation that you need for your tax filing.

If you have any questions, would like to enter the event, or are interested in becoming a sponsor for or a contributor to the event, would you please contact me at your convenience?

Thanks in advance for your participation and support!

Sincerely,

Peter Pestalozzi
