

Helping Others Together

ABOUT US

Helping Others Together (**HOT**) Community Foundation is a nonprofit organization dedicated to uniting our community to support local children in need. **HOT** is a 501(c)(3) Arizona nonprofit and an Arizona Qualified Charitable Organization. Established in 2019, our mission is to bring people together to deliver a magical and joyful experience to struggling children and their families in the West Valley. **HOT** believes that together, we can make a lasting impact and bring joy to our communities' most vulnerable children.

OUR WHY

HOT creates engaging fundraising events where friends and financial partners come together and have a great time knowing that their support is used in a fiscally responsible manner to help local families. We provide a well organized, 100% volunteer program where individuals wanting to give back to the community can engage with others and experience the joy of knowing their gifts of time delights and creates unforgettable memories. But most of all, **our why**, is because our community needs us! In the West Valley, thousands of children attending schools live below the poverty line. We give these children an experience that they will never forget. One that brings them joy and boosts their self-esteem!

OUR HOW

HOT achieves its mission through fundraising events, generous volunteers, and our Sugar Plum Fairies Program. Our Diamonds in the Rough Golf Tournament and Signature Party are our primary fundraising activities held each spring.

We work with school districts and other organizations to identify families who are low income and struggling with a family crisis, chronic illness, or physical disability. Our tenacious volunteers scrutinize each application to identify those needing our help the most. They gather the details which are provided to our shoppers who select personalized gifts for each child.

Our volunteers create a holiday winter wonderland that each selected family gets to experience. They visit with Santa and his elves, and open their holiday outfits. They leave with big smiles, the rest of their wrapped gifts, personalized stockings, homemade cookies, a grocery gift card, and a Christmas eve basket filled with Christmas pajamas and holiday traditions to take home.

WANT TO HELP?

SECURE A SPONSORSHIP

HOT's Diamonds in the Rough Golf Tournament provides a sponsorship level for every goal and budget. We have 3 levels of sponsorship that include golf teams (while space is still available). If you don't want to golf, we offer a variety of other sponsorship opportunities starting at \$750. Sponsors receive great exposure through our event materials, social media and website channels, as well as through personal engagement with guests during the event. Everyone is invited to attend our fun-filled Signature Party!

PROVIDE GOODS OR SERVICES

HOT's auction and raffle during our Diamonds in the Rough Golf Tournament and Signature Party are key components to our annual fundraising. Providing a donation of goods or services is a great opportunity to showcase your business and gain exposure to **HOT's** many supporters. Our auction items are marketed through social media, our online auction website, and at our Diamonds in the Rough Golf Tournament and Signature Party.

CORPORATE COMMUNITY SERVICE

Employee Volunteer Opportunities

HOT gives corporate partner employees an opportunity to volunteer and make a positive change in their community. Volunteers are invited to sign up individually or as a group to participate in gift wrapping or a gift presentation session. These opportunities provide great team building experiences. Partnering with **HOT** demonstrates to your employees that you care about the community in which many live, work and play.

Corporate Donation Matching

HOT encourages the implementation of a corporate employee match program. Corporate matching is a philanthropic program that promotes employee donations to **HOT**, where the company matches the donation, thus doubling the impact of their contribution. This fosters a culture of giving within the workplace by contributing to the nonprofits the employees support. **HOT** is also an Arizona Qualified Charitable Organization. As such, donations are tax-deductible as allowed by the law.
