Benefiting Neuro Wellness Charitable Organization

Neuro Wellness
Charitable Organization

Dear Sponsor,

As we gear up for our 2nd Hole in One event for Parkinson's Disease benefiting **NWCO** (Neuro Wellness Charitable Organization); I wanted to share how the money raised supports programs that impact those affected with the disease. NWCO supports programs such as Banner Neuro Wellness that contribute to a higher quality of life through exercise, education and empowerment. NWCO ensure that programs such as Banner Neuro Wellness have the equipment they need. NWCO provide scholarships for Parkinson's exercise certification to teams teaching classes. Additionally, they support disease specific educational speakers, support groups, and even special interest classes geared to those individuals with a passion for golf.

Throughout my medical career, I have worked with people with multiple diagnosis from knee/hip replacements to traumatic brain injury and spinal cord injuries. Very little of my time was spent in the neurological field. Since I started working at Banner Neuro Wellness with the Parkinson's population, I have seen more determination, perseverance and pursuit of a higher quality of life that any other population that I have encountered. This population has taught me so much about overcoming adversity no matter what life throws at you. They have shown me that there is always so much to be grateful for even with adversity. After piloting a 4-week golf class, I witnessed the excitement and pure joy it brought the participants. It was breathtaking. The inspiration it brought to this community was nothing short of amazing. This fundraising event gives me the opportunity to give back to those members who served our country and those who continue to overcome adversity every day.

NWCO will hosting our 2nd annual **Hole in One for Parkinsons** golf tournament for Parkinson's to benefit programs such as **Banner Neuro Wellness**. The volunteers for the event are people living with Parkinson's and their caregivers, family and friends. The event will be held at **Springfield Golf Resort**.

If you or your family, know anyone affected with Parkinson's Disease, you know the struggles they deal with daily and their struggle to find quality of life as the disease progresses. Studies show exercises that specifically address the symptoms of PD can enhance a person's independence, mobility and overall life satisfaction. I am proud to say that **NWCO** supports programs like **Banner Neuro Wellness** that strive to improve outcomes by combating the disease symptoms head on.

Enclosed are sponsorship options designed to assist you in finding the right level of support for your budget. Your company's name can be featured on the banners, flyers and t-shirts. Your advertisements can be placed in the goody bags. There will also be a photo opportunity with you and the hosts giving the final (amount raised) check to NWCO shortly after the event. Plus, a tax donation in tax deductible since **NWCO** is a 501(c)(3) non-profit organization.

We are grateful for the generosity of community partners like you; your support enables those affected by Parkinson's to have an enhanced quality of life. Thank you for your time, consideration and generosity.

God Bless,

Christian Estrada
