**ARTICLE 9.1.6 USGA TIE BREAKER**

The USGA recommends using the best score from the last nine holes to determine the winner of a stroke play tie in a scorecard playoff. If the players are still tied after the last nine holes, the winner is determined by using the last six holes, then the last three holes, and finally the 18th hole. If the competition has a shotgun start, the "last nine holes" are considered to be holes 10–18 as listed on the scorecard.
