

## WITCHES WITH STICKS

### 2024 SEASON OPENER RESULTS & PICS

After a cool start, the day turned out to be a beautiful Arizona day. It was so nice to reconnect with returning members and welcome new members.

Thanks to Jesse for providing the donuts to kick off the season. Big shout out to Cheryl Orrico and Maria Tober for all their hard work coordinating the game, lunch, beautiful decorations and stuffed goodie bags!

So many really got into the "spirit" and there were some awesome costumes.

The morning started with great witchy costumes! Jodi Rosenblat and Christy Schreiber took home the costume prize! Didn't recognize Sue Gardiner with green hair!

Not sure if Marilyn Jandro and Pam Weinberg are smiling or their teeth are chattering!!
