

Tournament Descriptions

On tournament dates we still play our regularly scheduled games and award chits based on the game of the day. Everyone can play on those dates even if they are not competing in a tournament!

Club Championship

A low gross competition on six dates, two dates on each Oakwood course. You must play at least one round on each course. If you play two rounds on a course, the better score will count. Low total gross of three scores (one for each course) is the winner. Only members who choose yellow as their default tee box for the year are eligible. No signup required.

Silver Championship

A low gross competition on six dates, two dates on each Oakwood course. You must play at least one round on each course. If you play two rounds on a course, the better score will count. Low total gross of three scores (one for each course) is the winner. Only members who choose silver as their default tee box for the year are eligible. No signup required.

Jo Williams

A low net tournament on three dates, one date on each Oakwood course. You must play all three rounds to qualify. The player with the lowest cumulative total of the three net scores is the winner. No signup required.
