

PRESIDENT'S NEWSLETTER

OCTOBER 2024

2025 MEMBERSHIP

It's time for 2025 registration. We are continuing to use the AGA Online Join/Renew Program. This program has worked very well for us. OJR has eased the paperwork burden for our volunteers, and the program gives every member a \$5 discount. Your membership and membership options remain the same price as last year. AGA dues also are the same price. All of these categories are detailed in our Standing Rules, which are posted on the website. **PLEASE REMEMBER:** You must sign up for ALL Membership Options at the time of registration. The next available registration for these options is July 1, 2025.

Registration is available now. Just go to azgolf.org and select the red Join/Renew button in the upper right corner.

Online Renewal Discount	(\$5)	SOUTHERN DISTRICT	
Total AGA Dues	\$40	Membership Dues	\$10

TOURNAMENT NEWS

The LAGOS tournament was a great success! We had wonderful weather, terrific camaraderie, and so much fun! Thank you to everyone who participated to make this annual event a winner once again!

The AGA 2024 Arizona Senior Women's Amateur Championship was held in September at the Tonto Verde Golf Club in Rio Verde. SBWGA-18 was proudly represented by ten members, once again the largest participation of any league in the state! Congratulations to Joan Chyall, first place gross in her flight, and Ret Convey, first place net in her flight. These ladies proved once again that SBWGA-18 represents the greatest golfers in the state!

The LPGA Amateurs Regional Cup was also held in September. 19 Teams from all over the Western Region played a two-day tournament at El Conquistador Golf Course. Four teams from the Tucson Chapter participated, and two qualified for the Nationals being held at Indian Spring Country Club in Boynton Beach. Joan Chyall and Cathe Kropp were on the first-place team and are proudly representing Tucson in the Nationals.

HANDICAP POSTING

Our monthly audits are looking great. Suzanne found only four rounds not posted during the month of September and those members brought their rounds into compliance. We continue to receive Posting Correction forms in a timely manner. Our entire league posted 530 rounds on the day of play out of a total of 683 rounds, which is a 78% compliance. Let's try to bring that number up as our golf season kicks into high gear. We had 89 members posting 100% out of 108 that played during the month. Congratulations to Takeyo Eakin, winner of the drawing for this month's Pro Shop credit.

UPCOMING SCHEDULE

Due to the overseed schedule, there is no General Meeting in October. We only have two General Meetings left this year: Tuesday, November 5, our General Election, and Tuesday, December 3, Day One of our Solheim Cup and installation of our 2025 Board of Officers. As always, luncheons will be separate sign-ups in Golf Genius. Please watch your email for notifications for sign-ups for luncheons and golf.
